

# East Coast Field Hockey

## National Academy and National Training Center

**T**he National Academy and National Training Center have emerged over the years as a basic prerequisite for any high school player who has aspirations to play collegiate field hockey. East Coast Field Hockey Camps are US Hockey Sanctioned "Partner Camps." Camps and training are provided in accord with International "Center of Excellence" Standards.

STAFF: 38 International Coaches (*Argentina, Holland, Spain, England, South Africa, Ireland, France, Scotland, Kenya, Australia, Pakistan, Venezuela*), including former Olympic and National coaches and current US college coaches, compose a staff that has no equal.

— **Training on the cutting edge of international field hockey!** —

• Collegiate Recruiting Forums included. •
